the large halls of the Institute, at 8 p.m. Monday, October 9, and will be devoted to addresses of welcome by the President of the World's Congress Auxiliary, by the Mayor of Chicago, and by the President of the American Public Health Association, and to responses by foreign delegates. These will be followed by the Inaugural Address by the President of the American Public Health Association.

The mornings of Tuesday Wednesday and Thursday, from 10 to 12 o'clock, will be devoted to discussions in general of the meetings of the Congresses upon the following topics:

Tuesday.—Diseases chiefly manifested in the air passages: Tuberculosis, Diphtheria, Pneumonia, their prevention or control through Public Health Service.

Wednesday.—Diseases affecting the alimentary canal: the Diarrhœa of Childhood, Cholera, Enteric Fever.

Thursday.—The Eruptive Fevers: Small-Pox, Measles, Scarlet Fever, and the diseases of modern life due to nervous conditions.

Friday morning will be given up to a business meeting of the American Public Health Association.

The general meeting of Saturday morning will close the Congress.

The afternoons of Tuesday, Wednesday, Thursday, and if necessary Friday, will be devoted to the work of the Congress by sections as follows:

I. International, National and State Hygiene: Its Methods and Relations, including Vital Statistics. ("State," as here used, indicates an autonomous part of a nation, as a kingdom of the German Empire, an integral State of the American Union.)

II. Municipal Health Service. To include the control of the infectious diseases of men and animals, offensive trades, water supply, the disposal of excreta, garbage and the waste of manufactories, schools and public assemblages.

III. The Infectious Diseases of Men and Animals: Their Causes, Prevention and Control.

There will also be general meetings of a popular character at 8 p.m. on Tuesday, Wednesday and Thursday, when addresses will be delivered on public health subjects of general interest. The object of these is to disseminate general infor-
