—THE—

Wesleyan Female College

HAMILTON, ONTARIO, CANADA.

NEXT TERM WILL BEGIN ON NOVEMBER THE TENTH. EVERY DEPARTMENT OF THE College is thoroughly equipped. An abundance of Apparatus, Maps, Charts, Specimens in the different fields of Natural Science and all necessary modern appliances. Regular teaching force—Four Professors and Seven Lady Teachers. No pupil teachers employed. The building contains about One Hundred and Fifty Rooms. Students rooms completely furnished and carpeted. Hot and Cold Baths always accessible. Large and Elegant Parlors, Spacious Halls, Marching Shed for bad weather, Skating Rink, Recreation Grounds, Etc. Etc. Our Location gives to our Pupils advantages that can be obtained only in Cities, the very advantages that parents desire most for their daughters when they send them from home. These are daily enjoyed under a constant and conscientious supervision. The College is entirely free from debt, and our friends will have the advantage of our success. Terms very low. For particulars address the Principal,
