COMPANY,

**Nos. 43, 45, 47 and 49 Bay St., Toronto.**

AND

**823 Craig St., Montreal.**

Our preparations for the Fall Trade are on a more

**Extended Scale than any previous Season.**

Three floors of our spacious warehouse (80 x 100 feet each) are filled with a very complete stock of staple goods suitable for the Stationery and Printing trades. Our bindery is very complete and turns out only first class goods. We have the most skilled labor in our box factory and are making a line of plush goods that has no competitor in quality, neatness and artistic workmanship.

In our envelope factory we are making a finer line than ever and in spite of the unfair and unprincipled tactics of a would be competitor we never have been so busy.

Reliable goods well made we feel sure will command the Trade.
