

THE CONFIRMATION

Confirmation was administered on Sunday evening, April 21st. The class presented was small, consisting of five young men and boys, and nine young women and girls. The class would have been somewhat larger, but several who were under instruction dropped out for one reason or another. A majority of those who were confirmed were adults. Next year we hope that a number of children whose parents thought they were too young to be confirmed on this occasion, will be brought forward. The administration of the Rite was preceded by evensong with one psalm and one lesson, and this, coupled with the smallness of the number of confirmees and the brevity of the Archbishop's excellent address, had the effect of making the entire proceedings shorter than the usual evening service.
