A NEW AND GRAND IMPROVEMENT!

Alpha Fountain Syringe, with Self-closing Neck.

A simple invention of great merit. All Hard Rubber Pipes.

THE mouth of this improved Syringe is provided with a simple rubber device which automatically closes the opening after the Bag has been filled, and prevents any spilling of the contents, no matter what position the Bag may be placed in. THIS IS A MOST IMPORTANT CONVENIENCE, as the Syringe can be easily operated, when a peg is not convenient to suspend it on, by simply laying the bag upon a mantel, shelf or other object, about four feet above the outlet.

THE various uses to which this Syringe is adapted render it indispensable to every family: while travellers and persons living at hotels, where they do not have the facilities of a private house, will find it a valuable improvement over any Fountain Syringe in the market.

These goods can be obtained from any Wholesale Druggist in the Dominion. Write for description.
