

Armand's Eau de Quinine au Cantharides and Armand's Brilliantine

Never fail in stopping the hair from falling, by imparting vitality and vigor to the hair follicle and promoting the growth of the hair when it is slowly dying off.

The elements composing this "Tonic" are such as to act directly on the hair and scalp, and removes effectively the Dandruff and stops all irritations and itchiness of the scalp.

It is not oily or otherwise objectionable, it has a pleasant odor, and is excellent as an every-day dressing. It will not make the hair grow on shiny bald heads, but it will improve and preserve the hair you have.

Thousands of the best class of Toronto people use it, and your toilet table is not complete unless you have **Armand's Eau de Quinine au Cantharides** and Armand's Brilliantine on it. Price, \$1.00 each.
