

## The Pleasure of Travelling

depends largely upon the facility with which the necessary funds can be carried. A supply of the **Travellers' Cheques** issued by The Bank of British North America and obtainable at moderate cost at all of its numerous establishments, provides a safeguard against the difficulties and annoyances sometimes experienced by Travellers in obtaining funds in foreign parts. The Cheques are self-identifying, and in addition to being negotiated by Banks and Hotels at every point ashore, are readily accepted on Steamships in payment of Accounts.
