

HISTORY REPEATS ITSELF. "And perhaps in the distant future when the ages have grown old, and more with slow and failing steps down the corridors of time—When the adjuncts and appliances that now make life endurable are forgotten, how gladly will the people hail the re-discovery of Putnam's Painless Corn Extractor, the great and only sure pop corn cure of this age." Without a rival for efficacy or painless action, certain in every case and yet perfectly harmless to every other part, surely its loss would be felt in future ages as keenly as its value is now appreciated by all in this. Try Putnam's Painless Corn Extractor. Sure and safe. N. C. Polson & Co., Kingston, proprietors.

The exports of agricultural products were:—Of Canada \$1,236,936; not of Canada, \$26,146. The duty collected was \$1,310,682. In 1884 the value of goods was \$5,868,487, \$4,476,371 being dutiable \$1,362,196, free and \$29,914, coin, and bullion, the duty collected amounting to \$1,117,773.

If you want knowledge you must toil for it; if you want food you must work for it; if you want pleasure you must earn it,—but if you want nice soft hands you have only to use Estey's Fragrant Philodermia.

Parnell has issued a manifesto advising the municipalities to observe a respectful neutrality regarding the visit of the Prince of Wales.

Do you feel languid and dull, and have no appetite, then your system is out of order and requires a good bracing medicine. Take a few bottles of Estey's Iron and Quinine Tonic.

Sir William Harcourt has prepared an extradition bill, which authorizes the Government to amend all British treaties for the purpose of securing the surrender of persons charged with murder, malicious wounding, or conspiracy to murder a ruler, sovereign, or member of a royal family, and also persons charged with the illicit manufacture or storage of explosives.

In a pianoforte for private home use, the very first and chief requisite is refinement and purity of tone. For use in a concert or other large room this is not so important, as the roughness of tone is not so perceptible. The New Upright Pianos of the Mason & Hamlin Organ Company have this for their prominent attraction, that their tones are so pure and free from all noise without pitch. In part, this comes from their new method of fastening the strings by metal fastenings instead of by mere pins driven into wood.—Boston Traveller.

In washing flannels, a tablespoonful of ammonia added to every two gallons of hot water is a decided economy in soap and labor, and improves the flannel greatly.

PUBLIC BENEFACTORS are not alone confined to the higher orders of scientific research. Indeed but few have done more for the welfare of the working masses than James Pyle through the introduction of his labor-saving Pearline.

Lord Annesley, the British Consul-General at Hamburg, recently sent a letter to Earl Granville describing the African Syndicate of Hamburg as a chamber to promote the extension of the German and the extinction of the British trade in the German colonies. A partner of the firm of Woermann requested Lord Annesley to correct his statement that Woermann's steamers were not the sole property of the firm. Lord Annesley sent a reply challenging the partner to a duel.

PUTTNER'S EMULSION

PUGWAH, N. S., Feb. 10, 1882.

Dear Sir:—I take this opportunity of congratulating you upon the widespread reputation your justly esteemed Emulsion of Cod Liver Oil has earned for itself throughout this extensive country. As a remedy of general utility in the household it is inestimable, and in cases of over-taxation of mental or physical labour to which the clergy are exposed in the ordinary performance of their parochial work, no one can have an idea of its efficacy before giving it a trial.

Suffering from extreme debility for a length of time, after trying a number of other remedies, I was induced through persuasion of my clerical brethren to try one bottle of your Emulsion. Its controlling power was so surprising that I continued its use as prescribed for a few weeks, and am now enabled to undertake and go through as long journeys with almost as little inconvenience as I experienced when I entered upon ministerial duty thirty-five years ago. Being thus fully convinced that sufferers from exhaustion, brain weakness, or rheumatic attacks will gain speedy relief from the use of your Cod Liver Oil Compound, I feel it a duty to make known to such its remedial effect upon the system.

I am, dear sir, yours respectfully,

B. F. BRINE,
Rector of the United Parishes of St. Andrews,
Wallace and St. George, Pugwash, N. S., Co.
