# Vegetable Sicilian Hair Renewer

Has stood the test of seven years Has stood the test of seven years before the public; and no preparation for the hair has yet been discovered that will produce the same beneficial results. It is an entirely new scientific discovery, combining many of the most powerful and restorative agents in the VEGETABLE KINCDOM. It restores GRAY HAIR TO ITS ORIGINAL YOUTHFUL COLOR. It makes the scalp white and clean: cures dandruff and color. It makes the scalp white and clean; cures dandruff and humors, and falling out of the hair; and will make it grow upon bald heads, except in very aged persons, as it furnishes the nutritive principle by which the hair is nourished and supported. It makes the hair moist, soft, and glossy, and is unsurpassed as a HAIR DEESSING. It is the cheapest premaration ever offered to the pub-

and is unsurpassed as a HAIR DEESING. It is the cheapest preparation ever offered to the public, as one bottle will accomplish more and last longer than three bottles of any other preparation.

It is recommended and used by the First Medical Authority.

The wonderful results produced by our Sicilian Hair Renewer have induced many to manufacture preparations for the Hair, under various dames; and, in order to induce the trade and the public to purchase their compounds, they have resorted to falsehood, by claiming they were former partners, or had some connection with our Ma. Hall, and their preparation was similar to ours. Do not be deceived by them. Purchase the original: it has never yet been equalled. Our Treatise on the Hair, with certificates, sent free by mail. with certificates, sent free by mail. See that each bottle has our private Revenue Stamp over the top of the bottle. The need of a safe and perfectly reliable purgative medicine has long been felt by the public, and it is a source of great satisfaction to us that we can, with confidence, recommend our 'BRISTOL'S SUGAR-COATED PILLS, as combining all the essentials of a safe, thorough and agreeable family cathartic. They are prepared from the very finest quality of medicinal roots, herbs, and plants, the active principles or parts that contain the medicinal value being chemically separated from the inert and useless fibrous portions that contain no virtue whatever. Among those medicinal agents we may name PODOPHYLLIN, which has proved to possess a most wonderful power over the Liver, and all the bilious secretions. This, in combination with LEPTANDRIN and other highly valuable vegetable extracts and drugs, constitutes a purgative Pill that is greatly superior to any medicine of the kind here-
