### EDITORIAL CHAT.

We are very gratified as well as pleased to find this JOURNAL has so many people on its subscription and advertising lists who are real friends as well as subscribers and advertisers. It is said that adversity shows one their friends, and we have had a chance of testing it. The result is most complimentary to the JOURNAL and is the one redeeming feature of our late loss by Letters of sympathy have come to us from all parts of the world, a large number containing a few words of encouragement and a paid renewal subscription or advertising account, many of them not being due for some time to come, a very solid way of offering encouragement. We wish to publicly thank these kind friends, who are now of such a formidable number as to almost make it impossible to write each one, for their kind words and deeds. We must not omit in this class the many new friends who have sent us their first two dollars, saying: "We intended doing this before, this is a good time to start and will stick by you now," etc.
