## The Telephone is Always Available DAY OR NIGHT

When emergencies arise—and they arise frequently—assistance can always be secured by means of the telephone. It is right at your hand, ready for service day or night.

It may be the doctor has to be summoned and, if so, no time need be lost. Help may be needed from your neighbor, from the police—rely on the telephone.

The telephone is the greatest of all domestic utilities. What is the cost, compared to the security and sense of relief in knowing that the means of instant communication is available at any time?

### SYNOPSIS OF COAL MINING REGULATIONS.

Coal mining rights of the Dominion, in Manitoba, Saskatchewan and Alberta, the Yukon Territory, the North-West Territories and in a portion of the Province of British Columbia, may be leased for a term of twenty-one years at an annual rental of \$1 an acre. Not more than 2,560 acres will be leased to one applicant.

Application for a lease must be made by the applicant in person to the Agent or Sub-Agent of the district in which the rights applied for are situated.

In surveyed territory the land must be described by sections, or legal sub-divisions of sections, and in unsurveyed territory the tract applied for shall be staked out by the applicant himself.

Each application must be accompanied by a fee of \$5, which will be refunded if the rights applied for are not available, but not otherwise. A royalty shall be paid on the merchantable output of the mine at the rate of five cents per ton.

The person operating the mine shall furnish the Agent with sworn returns accounting for the full quantity of merchantable coal mined and pay the royalty thereon. If the coal mining rights are not being operated, such returns should be furnished at least once a year.

The lease will include the coal mining rights only, but the lessee may be permitted to purchase whatever available surface rights may be considered necessary for the working of the mine at the rate of \$10.00 an acre.

For full information application should be made to the Secretary of the Department of the Interior, Ottawa, or to any Agent or Sub-Agent of Dominion Lands.

W. W. CORY,  
Deputy Minister of Interior.

## LUMBER PAMPHLET PUBLISHED BY FORESTRY DEPARTMENT.

The Hon. the Minister of Lands announces the publication of another booklet in the series of pamphlets issued for the information of lumber consumers throughout the world. Entitled "How to Finish British Columbia Wood," the pamphlet places before architects, builders, wood-finishers and home-makers the possibilities of the various native woods when used as interior finish. Instructions for the surfacing, staining, varnishing and painting of such woods as Western Hemlock, Douglas Fir, Red Cedar, Spruce, Mountain Pine and Tamarac are given, and attractive illustrations show some typical interiors in office, home and public building construction. The information given in this booklet is intended to be of real value to home-builders and others interested in wood-working, and advantage should be taken of the opportunity to obtain a copy.

The booklet will be mailed free of charge upon application to the Forest Branch, Victoria, B. C.
