

STUDY Latin and French by the **De Brisay Analytical Method.** Our system is endorsed by this Review, by Inspector Mersereau and by scores of teachers in New Brunswick. In Nova Scotia also we have a large number of excellent students. In three months we can give you a sound knowledge of Latin or French. We teach by mail, and can fit you for any examination, so that failure will be impossible. Each course embraces 7 000 words, presented in such a way that ten are as easily learned as one. Exact pronunciation given by means of the phonograph. Our terms are very reasonable.
