

- and helping you solve problems in these areas
- * helping you determine why an account is overdue and, if necessary, advising you on proper procedures for settlement
 - * maintaining contact with your agent and providing him or her with support and encouragement

We intend to update this Directory periodically. If you find it helpful to your activities, please let us know. If you have suggestions for changes which could improve the Directory's usefulness, please let us know, either through the International Trade Centres (ITC's) found on page 192, or directly through one of the Geographic Trade Divisions (page 191) or the Fisheries Division at External Affairs and International Trade Canada. (Tel:(613) 995-1712, Fax:(613) 995-8384)

Richard Ablett
Director
Fisheries Division
