NATIONAL FILM BOARD FILM RENTAL FEES

Motion No. 350—**Mr. Burton:**

That an Order of the House do issue for copies of all correspondence received by the Government of Canada protesting the decision of the National Film Board to charge rental fees for its films starting January 1, 1970.

Mr. Yves Forest (Parliamentary Secretary to President of the Privy Council): Mr. Speaker, in order to comply with this motion a considerable number of man-hours would have to be assigned to extract this correspondence from the files, and additional unknown man-hours would be required as such correspondence should not be made public without the consent of the authors.

Motions for Papers

Since these man-hours are not presently available, extra staff would have to be employed on a casual basis in order to complete this job. Very accurate statistics on the number of such correspondence are maintained and such information could be provided in response to a question on the Order Paper. I therefore ask the hon. member to withdraw his motion.

Mr. Burton: Subject to the conditions expressed by the Parliamentary Secretary, Mr. Speaker, I agree.

Mr. Speaker: Subject to the reservations and conditions expressed by the Parliamentary Secretary the motion is carried. Is this the request of the Parliamentary Secretary?

Mr. Forest: Mr. Speaker, I asked the hon. member to withdraw it.

Mr. Speaker: Is the motion to be dropped?

Mr. Burton: Agreed.

Order discharged and motion withdrawn.

Mr. Knowles (Winnipeg North Centre): I move the motion on behalf of the hon. member.

Mr. Yves Forest (Parliamentary Secretary to President of the Privy Council): Mr. Speaker, the answer is exactly the same as the answer to the previous motion.

Mr. Knowles (Winnipeg North Centre): So I guess the response has to be the same too, Mr. Speaker.

Mr. Speaker: The motion is dropped.

Order discharged and motion withdrawn.
