

Invitations Convocation Luncheon

1931 - 1933

May 15, 1934.

Dr. C.F. Martin,  
Dean of the Faculty of Medicine.

Dear Dr. Martin,

I find I did not keep these luncheon lists, but I think the attached sheets are accurate. I have been able to construct them from the correspondence. Apparently, I was wrong on the telephone this morning - the governors en masse only were invited on very special occasions, such as the large luncheon held last October 6th, the reason probably being that the Principal kept the May convocation luncheons down to twelve or fourteen people.

Be sure to call on me for anything I can do to help at this time, either typing or anything else.

Yours faithfully,
