Dr. James A. MacLean, LL.D.,
President,
University of Manitoba,
Winnipeg, Man.

My dear Dr. MacLean,

I am making an appreciation of the situation regarding tuition fees in Canadian universities and it will help me greatly if you can let me have, by return mail, if convenient, the following information regarding your fees for 1932-33:-

Are these lower or higher than 1931-32?

What will be your total fee, inclusive of all special charges for registration, student activities, etc., in each Faculty?

Ever yours faithfully,

Principal.
