

FAVORITES WIN AT JAMESTOWN

Vothorpe Takes the Mile Handicap in Good Time—Hurdle Race For Nottingham.

NORFOLK, April 12.—It was a great day for the public. Favorite after favorite breezed home in the sloppy going, and while Sonny Boy and Chukles were not usual first choices, they had sufficient following to rip a couple of buttons off the coats of the young men who form the target for players of the game. It started to rain early in the morning, and continued all thru the afternoon, making the track heavier and heavier as the race was called. In the early stages of the racing the time made was not so bad. In fact, Vothorpe ran a marvelous race from a time standpoint, as did Sonny Boy in the fifth, considering the condition of the track. In the seventh, which was won by Chukles, the time was very bad, and the track had either become much heavier or he is not much of a horse. It may be the latter, as the Chukles displayed a disposition to gameness that will be well to remember.

The track just suited Rye straw, being soft and mushy. He simply revelled in the going, and taking the lead early, spread-eagled his field and won by a good margin, but he was all in at the finish.

Had not Sonny Boy run out at the home turn, there is no telling the distance he would have headed his opposition at the finish. As it was, he straightened up in the stretch and managed to get up in the last jump, to win by a nose from Bulgar, with Trade Mark a snoot away and Edna Leska a head behind Trade Mark.

The steeplechase brought about a head clash between Nottingham and Julia Ann. The former was decidedly the better of the two and would have won by a good margin but for being crowded by Julia Ann at the gap while turning into the main stretch. But for this he might have galloped home as he lost easily four lengths by the transaction. Waterway and Griffin, his rider, was thrown rather heavily. While being taken to the hospital Griffin, his rider, was thrown rather heavily. While being taken to the hospital Griffin, his rider, was thrown rather heavily. EDMONTON RACES.
The respectable sum of \$24,000, of which \$15,400 is for harness events and \$8,600 for runners, is hung up in purses at the fall race meeting in connection with the Edmonton Exhibition, Aug. 11 to 16. Purse amounting to \$5650 are offered at the spring turf meeting, May 19 to 24. W. J. Stark, secretary of the association, reports there will be more entries than ever before in the harness events.

Simultaneously with Ban Johnson's announcement that an attempt would be made to shorten American League games this year, the New York-Washington contest consumed 2 hours and 5 minutes, the strife in St. Louis lingered an hour and 50 minutes and the fringes in Boston lasted 4 hours and 20 minutes.

JONES WILL HAVE TO FIGHT FOR LALONDE

Caron of Nationals Has Re-opened the French-Canadian's Case.

Now it's President Caron of the Nationals who is sporting warpaint, and Con Jones has discovered in him another stumbling block in the pathway towards peace. With Lally, Kennedy and Westman's Club trying his patience to the utmost for the last week, now these tormentors have added another to their number.

The actual Neway Lalonde is the bone of contention, and on him the spotlight is calmly resting for the present. Caron says Neway will play for them, and Jones asserts with quite as much vehemence that he will disport himself at the coast. It is his opening up an old score, that was supposed to have been fixed up after last year's lacrosse war. The Nationals claim that the Torontos have given a prior claim to his services that they have. The story began early last spring, when Caron was in the city, and Jones, who was then in the city, was supposed to have been fixed up after last year's lacrosse war. The Nationals claim that the Torontos have given a prior claim to his services that they have.
