MONTREAL GRAIN MARKET.

MONTREAL, Sept. 11.—There was some enquiry from foreign buyers for Manitoba spring wheat today, but as the prices bid were far out of line no business resulted. The top price made for No. 1 northern so far has been 47c per quarter from Leith, while the bids today from Manchester were only 48c bid. The local grain market was quiet, with no further change in prices noted. The local trade in flour continues fairly active, but the export demand was quiet today on account of the weaker wheat markets of late.

Millfeed is fairly active and firm. Demand for butter for local account is fair and sales of some round lots were made at firm prices. Cheese is dull and the tone of the market is much easier at lower prices.
