It will be finally dealt with at the board meeting. The finance committee decided that there was not sufficient information before them to enable them to endorse the proposed reorganization of the medical inspection department. The department without reorganization is expected to cost about \$70,000. The members of the finance com-mittee stated that they were not hos-tile to the proposed reorganization if plicants and Found Forty-Five Hundred Dollars.

Bulgarians and Russians, were placed under arrest by Inspector Geddes and a squad of police, and lodged there on a charge of vagrancy. The "round up" brought to light how the people of Toronto have been deceived and in these scales are being vicinitized by foreigners in the unemployed ranks. For some time past inspector Geddes suggected that a number of the men sputism for relief at the House of industry were imposing on the insti-tution. s many little boys and girls, fathers and mothers too, that are wishing it was summer time again, and that Old Sto was shedding forth his comfortable frays. Shoes and stockings, warm un-derwear and comfortable outside gar-ments are lacking in many homes, and in plenty of other homes there are lots of clothes that have been grown out of, or cast aside for some reason or cher. It is these things Good Fellows are bringing out of hiding. Of course many of the Good Fellows will do more than that. They will provide baskets filled with all kinds of good things, but the vital thing just now is that all of the needy children thruout our city should be warmly clad and reas-onably well cared for in the way of food. Mate a grown out of, or that overcost or dress that you have put aside gives you an opportunity to become a Good Fellow forthwith, and ycu may be able to add to these a basket now and the some at some to slide on, were satis-fied at length that Christmas was really coming, and so slept extra hap-pok

That clothing your own little folks have grown out of, or that overcoat or dress that you have put eside gives you an opportunity to become a Good Fellow forthwith, and ycu may be able to add to these a basket now and then and in this way bring happiness and comfort to some worthy but unfortun-ate folks. This year the task of caring for Toronto's needy clitzens is greater than it has been, and everything in the way of clothing, etc. is needed so that conditions may be evened up a little. Be a Good Fellow, take a look thru the clothes chests and cupboards and see If you haven't got enough stuff to make another family more comfortable for the winter months.
