

and Moose. The Montreal River, which flows down from the north-western wilds, enters its waters near its southern end, where it resembles more a very wide river.

Temagami is like an immense collection of lakes spread out from a common centre in vast arms. There is the South Arm, the South-west Arm, the North-east Arm, the North Arm, the North-west Arm, and numerous bays, which with myriads of small sister lakes, spread over what is called the Temagami Forest Reserve.

All this region is a vast reserve of white and red pine and other valuable timber, and is accessible only to the miner, lumberman and adventurous hunter and explorer, who in a spirit of unrest or longing for the wilderness or what of treasure it contains, penetrate its primitive and virgin fastnesses.
