Why Don't You Marry the Girl?

And when you do (if you have not already done so) give her a proof of your heart being right by presenting her with a life insurance policy in her favor.

To the Girls

If the young man who says he thinks so much of you has an endowment policy with the Manufacturers' Life Insurance Co., the chances are in favor of his being right in other ways, and his prudence and foresight may stand you in good stead when you are old. A policy in the Manufacturers' Life Insurance Company will prove that he is sound in mind and limb as well as heart.

A post card with your name and address will bring you full particulars.
