BANK OF COMMERCE EXTENDS SUIT
Against Toronto Junction Regarding
the Tax Sale.

Toronto Junction, March 28.—Mrs. Lake
was last night married in Davenport
Methodist Church by Rev. H. S. Matthews
to Mr. Hamilton. According to a time-
honored custom, the bride and groom will
be presented with a Bible and hymn book,
they being the first to be married in the
church.

A musicale under the auspices of the
Women's Aid of Victoria Presbyterian
Church will be held at the residence of
Mrs. A. Clemmer, Lakeview-avenue, to-mor-
row night.

The Executive Committee of the Town
Council met this evening in the Town Hall
with Councilor Anderson in the chair. Mr.
Biscom, who was given a month to pay his
taxes, was on request, given until June
to pay the money. The solicitor reported
that the Bank of Commerce has taken ac-
tion against the town, claiming the amount
of \$400 and \$300, which should have been
paid to them last year on account of the tax
sale. The contract for publishing the tax
sale was given to The Leader and Recorder
and this account was assigned to the Bank
of Commerce. Before the tax sale was
published, The Leader and Recorder Com-
pany went into liquidation, and the manager
being unable to guarantee the fulfill-
ment of the contract, it was cancelled. The
Liquidator, however, declined to get estimates
for the tax sale, and the bank, having had
the account assigned to them, claim pay-
ment. The solicitor was instructed to de-
fend the suit. A motion to instruct the
electrical engineer to furnish an all-night
electric light service was voted down, it
being thought that an all-night service
would not be necessary during the long
days of summer. Messrs. Gilman and
Ward were anxious to know whether the
council was sincere in the move made to
wards erecting a foot bridge over the C.P.
R. yards at the foot of McCurdy-avenue,
and were answered to the effect that so far
the council was only considering the
matter and had decided to get estimates.
The Board of Health asked whether it
could appoint its own solicitor, or whether
the Town Solicitor was appointed by by-
law to act for it. As this question is
not very clear, the by-law appointing the
solicitor will in future embrace the duties
to be performed for the Board of Health.
A request from the taking of the town to
have the bread by-law changed to conform
with that in the city of Toronto was
referred to the committee.

Mr. Fred Richardson was last night
married by Rev. J. T. Morris at his residence,
D'Arcy-street, to Miss Fairfield of Midland.
The bride and groom will reside on Van
Horne-street.

North Toronto.
A program of musical and literary items
will be given by the Epworth League of the
Zion Baptist Church to-night at the church.

Councillor Armstrong presided over the
meeting of the Works Committee last
night. Various amounts of considerable di-
mensions for the repairs of the recent
break at the water-works were passed in
review, and caused the chairman to remark
that he was disgusted with the whole busi-
ness. Councillor Brown asked that far
for the construction of the town side-
walks be purchased without further delay,
and the order was passed accordingly.
Councillor Lawrence thought the com-
mission might be employed as assistant en-
gineer, in place of having to engage a
special man. The saving this offered
would be of considerable importance, the
councillor averred. The chairman remark-
ed that the chief had stated his willing-
ness to do anything required of him, and
the committee recommended the suggestion
brought forward by Mr. Lawrence. The
chairman urged the importance of at once
deciding upon the power that should be
installed at the new water-works, and the
Mayor arranged for the proposed visit to
Bowmanville, to inspect the gasoline plant
to take place in a few days.

A Court of Revision of Sherbrooke-
water main was held last night. Council-
lor Lawrence presiding. Mr. J. A. Killick
was the only objector to the local im-
provement. His objection was ruled out,
and the by-law finally confirmed. A simi-
lar by-law, in respect to Balliol-street, was
also confirmed.

Mr. W. W. Edwards is the Census En-
umerator for Eglinton, westward, in the
place of Mr. J. M. Whaley, as stated yes-
terday.

Mr. Pleyter is now endeavoring to ar-
range for the location of his headquarters
for consumptives on Eglinton-avenue west,
in the town, and a special meeting of the
Board of Health will be called to con-
sider the proposal.

day next by His Honor Judge Morgan.

The Schomberg-Avonca Railway now
looks as though it might become an accom-
plished fact. At a special meeting of King
Township Council, it was decided to ask
the Legislature to ratify the \$12,000 bonus
by-law, passed some three years ago. The
condition on which this amount is to be
paid is the commencement of the building
of the road by May 15 next, with com-
pletion by Oct. 1 next.

The auto exhibit, under the auspices of
the W. M. S., at the Methodist Church
schoolroom, on Wednesday, attracted a
most enjoyable afternoon and evening to
a large number of spectators. The various
articles were loaned by friends, and some

were of a very antique and valuable na-
ture. The society funds were benefited by
the entertainment.

Mr. H. E. Law will undertake the duties
of Enumerator for the village in the pres-

A very pleasant surprise party took
possession of the residence of Mr. and Mrs.
T. Brennan on Monday evening, March
25, on the eve of their departure from
the neighborhood. Early in the evening
about 50 of the neighbors assembled at
Mr. John Baird's, and from there, pro-
ceeded to Mr. Brennan's, where they were
heartily entertained by their charming
host and hostess. In the course of the
evening, an impromptu program was given
thru, at the conclusion of which an ad-
dress and a presentation of a beautiful
china tea set to Mrs. Brennan were made.
The address was read by Mr. T. Britton-
white. Mr. G. Baxter and Miss Mary Mc-
norton presented the gifts. Mr. Brennan

responded suitably, thanking his neigh-
bors for the courtesy shown himself and
his wife, and all joined in singing "He's
a Jolly Good Fellow." Afterwards, all
present did justice to the sumptuous rep-
ast provided by the ladies, and, after
indulging in petto to their hearts' con-
tent, the gathering turned homeward, well
pleased with their evening's enjoyment.
