

FOURTH ANNUAL REPORT

—OF THE—

Young People's Society of Christian Endeavor, Knox Church

As the objects and aims of this Society are now familiar to every one, it will not be necessary to state them at length in this report.

The motto of the Y. P. S. C. E. is "For Christ and the Church." That motto in the past year we have striven to follow, and we hope and believe that the cause of Christ and the interests of the Church have been advanced by our efforts. We feel the greatness and importance of the work to be done, and as there are a number of young people in our congregation who should be members of our Society that are not, to them we appeal to join us and help us in the work. The object of the Society is to promote an earnest Christian life among its members, and to make them more useful in the service of God.

That we are in some measure successful is shown by the readiness with which the different members take a part in our meetings.

In the past year our meetings have been well attended, and a number of names have been added to our membership roll, both as Active and Associate Members.

We hold each month what is known as a "Consecration Meeting." At this meeting the roll is called, and the response of the active members is considered a renewal of the pledge "to do what they can to advance Christ's kingdom."

The reports of the various Committees show that they have been active in the past.

The Prayer Meeting Committee in arranging leaders for the meeting have not found it necessary to go outside of the membership of the Society, a matter for special gratification, and an evidence of success in training the members for work.

The Musical Committee have done much to improve the singing of the Society.

The Visiting Committee have done good work in calling upon the sick and strangers.

The Lookout Committee have given written or verbal invitations to all or nearly all the young people of the church not now attending our Society. They have also looked after strangers coming to the church services.

The Sabbath School Committee has but lately taken up the work, but they propose to arrange for making a canvass of the congregation with the object of increasing the attendance at the Sabbath School and Bible Class.
