REPORT OF THE MONTREAL BRANCH.

The following, the eighteenth annual report of the Montreal Branch of the Society, was read and adopted:—

The Council in submitting their report for the year 1890-91 are pleased to be able to state that the year has been one of decided progress.

Ten monthly meetings, most of which were well attended, have been held during the year; the June meeting, held at the residence of Mr Trenholme, Cote St Antoine being principally devoted to collecting moths.

The presence of Mr James Fletcher, Vice President of the parent society at the February meeting, and of the Rev. Mr Fyles of Quebec, on several other occasions gave an increased interest to those meetings, and the Branch is indebted to these gentlemen for the interest they have taken in its success.

During the year, one old member Mr E. D. Wintle has rejoined, and one new one Mr H B. Cushing has been added to our roll.

The following papers have been read during the year:

1. Notes on *Argynnis freya*, *A. Chariclea* and *A. Myrina*. H. H. Lyman.
2. Notes on Coleoptera (several papers.) J. F. Hausen.
3. A Day in the Woods. Rev. T. W. Fyles.
