

HEATING SATISFACTION

WHEN a Hecla Furnace is installed in your home, you know once and for all time complete heating satisfaction.

The Hecla Furnace anticipates all the features of your ideal furnace. It is the result of many years of experience and careful study of the heating problems confronting Canadian householders.

No Dust or Gas

Your home will be entirely free from dust and gas with a Hecla Furnace. The patented Fused Joints make it absolutely leak-proof for the life of the furnace.

Saves Coal

The Hecla Circular Waterpan has a patented Steel Ribbed Firepot which gives the furnace three times the radiating surface of ordinary furnaces. Thus you obtain the same amount of heat and save one day's coal every week. By actual test Hecla Furnaces save one ton in seven.

Hecla Furnaces burn coal, wood or natural gas with the same efficiency.

Abundant Moisture

The Hecla Circular Waterpan is a wonderful improvement over old-style waterpans. It runs completely around the furnace, assuring sufficient of the moisture so necessary to good health and plant life. It assures even evaporation—every room getting the same amount of moisture.

Ask your nearest Hecla dealer for literature telling you all about Hecla Furnaces. Or if you don't know him, write us direct. We will send booklet as well as his name free.

REX BEACH'S MELODRAMATIC MYSTERY OF NEW ORLEANS SHOWING AT THE MAJESTIC

"The Crimson Gardenia" To Be Presented at the Popular Theatre on Monday, Tuesday and Wednesday Next — Also Harold Lloyd and Arbuckle Comedies — Herbert Watrous, the Metropolitan Opera Star, in Vaudeville.

Accustomed to depict the conflict of play its name. Mere Felice's son is murdered. But her blindness causes her to dwell in the happy realization that he has returned to her.

The overture for the first half of the week will be "Chu Chin Chow," the most popular composition of the season.

HERBERT WATROUS AT THE MAJESTIC ALL NEXT WEEK.

Herbert Watrous, the great Metropolitan opera star, the possessor of one of the greatest bass voices in America, has been induced to remain for one more week at the Majestic.

Mr. Watrous, whose voice rings out like the bells of a cathedral, has received the greatest ovation of any of the vocalists which have yet been heard at the Majestic. Of all the big operatic stars which have sung at the Majestic this season, Mr. Watrous seems to be the most popular, indeed it is almost impossible for him to leave the stage during his evening appearance.

Monday, Tuesday and Wednesday Mr. Watrous will sing the famous "Armourer's Song" from "Robin Hood," his favorite and best-known number.

HAROLD LLOYD IN HIS LATEST COMEDY, "BACK TO THE WOODS."

Harold Lloyd, famous and popular Pathe comedian, whose comedies never fail to provide laughs, will be seen at the Majestic Monday, Tuesday and Wednesday in his latest "Back to the Woods," with Debe Daniels and Harry Pollard. It is the story of the Sylvan adventures of this famous trio of merry-makers and promises some beautiful woodland scenes.

"THE BUSHER" IS A FILM TO DELIGHT BASEBALL FANS.

To speak in the parlance of baseball, which furnishes the atmosphere of his latest story, Charles Ray bats an average of 1,000 in "The Busher," the new Thomas H. Ince-Paramount picture, which will open an engagement at the Majestic Thursday, Friday and Saturday, next week.

The story concerns a youth in a small town who is gifted with a remarkable throwing arm and attracts the attention of a league manager.

He is promoted into professional baseball, but suffers a noticeable affliction of inflated chest and falls down on the job. Just when all his home folks are at the game to see his wonderful pitching.

He takes an oath never again to play which is jeopardized by her brother's betting, he goes again to the pitchers' slab and wins the season's "rubber" for his own home town. There is a pretty love story and the picture sparkles with humor throughout.

The situations are novel and refreshing. It will tickle the lovers of the great American game, for there are some subtle bits of diamond satire. It is especially interesting to those who saw Ray in his previous baseball picture, "The Pinch Hitter," in which he turned the tide of events at the bat.

He is supported by Colleen Moore, Jack Gilbert and Otto Hoffman. The story was written by Earle Snell, pictured by K. Cecil Smith, and directed by Jerome Storm.

COMEDY "WELCOME, LITTLE STRANGER" IS REAL DELIGHT.

From tripping the mysterious steps of ancient dancers a la Isadora Duncan to the even more mysterious manipula-

tion of Hush! And then they got the notion that she was married to her boss! Him? Why, she wouldn't be caught under the same umbrella with him even if it rained every day. Be his wife, say, she wanted the gay life, no domesticity for her. And she was so sweet and demure, too, golden hair, pink cheeks, baby eyes of blue, oh, yes, she looked innocent, but you never can tell. We bachelors have our troubles, as you will see when you laugh over next Thursday, Friday and Saturday, which is entitled, "Welcome Little Stranger."

The two thousand feet of pictures, which the cameraman of the Aero Film Company took, while the aviators were in the city last week, will be shown at the Majestic on Monday, Tuesday and Wednesday. Patrons will see London street, nearly touch the tree tops of the

from every angle, fly over Dundas park, watch the children at Springbank during the school picnic, do stunts in the air, loop, the loop, spiral nose dive, flying upside down, and other feats. Besides these wonderful pictures for some time, and something new, from the air, many interesting views which all will enjoy immensely.

will be shown of different parts of the city, so that one may be surprised to see himself or herself in the picture. It is the picture event of the season. The best treat to be had in the movies for some time, and something new, from the air, many interesting views which all will enjoy immensely.
