

**J. L. RAWBONE,**

*Gun, Rifle, Gun Implement*

AND

**SKATE MAKER.**

*123 YONGE STREET, TORONTO.*

---

**RAWBONE'S PATENT CLIMAX SKATE**

Is acknowledged by all Skaters, both professional and amateur, to be

**THE BEST MADE.**

It has none of the objectionable features which are so prevalent in all other makes, and the entire absence of nuts, bolts, wrenches, keys, and loose clamps, make it preferable to all others.

We make nothing but the very best quality, every pair guaranteed for one year.
