

of our friends will replace this prize, which was given for the best aggregate shooting at 500 yards.

The Accident Insurance Co.'s Cup is still passing from one corps to another, and this year is held by the 8th Royal Rifles of Quebec.

The Dolan Cup was won by Sergt. Philips, 8th R. R., and has to be again competed for next year.

VISITORS.

We were favoured with the presence of a large number of visitors on the afternoon on which the Military match took place, and much interest was shown in the proceedings. The Grand Trunk Railway ran a special train from Bonaventure station to Point St. Charles.

We are again indebted to the various transportation companies for the usual issue of tickets to competitors at reduced rates.

PROPERTY.

Our moveable property is increased by the addition of two targets, and a complete list of things belonging to the Association will be found in another place.

E. W. MUDGE, Major,
Secretary.

MONTREAL, 1st December, 1882.
