NO PEACE WITH RUSSIA

Official Denial of Reports That Emis-saries Had Come to Berlin to Discuss Terms—German Minister to Bulgaria Tells for Conference.

Berlin, June 22, via London, 9 p. m.—The German minister to Sofia, Bulgaria, arrives in Berlin today for a conference at the foreign office. He will return soon to his post.

The German authorities today informed the administration of the Berlin Tages Zeitung that it would have to suspend publication for an indefinite period of time, on account of the recent article published by this paper on the subject of German-American relations from the pen of Count Von Reventlow.

The action of the German authorities is regarded here as an indication that the government is weary of seeing its relations with America made more strained by journalistic outbursts, such as those of Count Von Reventlow. The article in question followed the well known lines of that writer, who asserted that international laws must be disregarded in the conduct of submarine warfare. He declared that these laws were made before submarines were invented.

No Talk of Peace.

Frankfurt, Germany, June 22, via London, 8 1/2 p. m.—The Frankfurter Zeitung publishes an inspired article from Berlin denying positively rumors which are being circulated in certain quarters of Berlin that negotiations are under way looking to the conclusion of peace with Russia.

According to these rumors, Russian emissaries of high birth visited Berlin and the headquarters at the front. These reports even mentioned the conditions under which it was said Russia wished to make peace.

The Berlin correspondent of the Zeitung says he is in a position to state that there is not a word of truth in these reports; that no Russian emissaries of any sort have visited Berlin, and that no attempts have been made to get in touch with German official circles for the initiation of such negotiations.

The same positive denial is given to rumors of peace proceedings which were circulated following the recent peace conference of the International Congress of Women at the Hague.

MAKING FLOUR IN MILL IN WEST END

St. John Milling Co. Has 50 Barrel a Day Plant

St. John can now boast of a flour mill of its own. For several months millwrights and engineers have been busily engaged in erecting the very latest system for the manufacture of the highest grade of flour from wheat. The system is known as the "Paterson Midget Mill" and is the result of ten years of labor on the part of this distinguished English mill engineer.

For many years milling engineers have been trying to devise a system that has been the dream of all millers namely, a process that would do away with the endless number of spouts, elevators, and chutes that convey the flour for miles from one machine to another, and that is immediately packed in barrels and bags thus retaining that nutty flavor so much sought after by lovers of good bread. The flour has distinctive qualities in its own. It is a cream white, and retains all the volatile oils that are so essential to good wholesome bread, and that are entirely lacking in flours made on the old system of milling.

The St. John Milling Co. Ltd. of West St. John has completed the erection of this wonderful mill and on June 12, the first 50 barrel per day mill commenced operations, and will now produce daily flour that has "a flavor truly all its own."

The name of the brand is "La Tour" and carries with it a guarantee of quality that characterizes all the products of the company.

The mill is owned by Fowler & Son, and is to be commended for their enterprising spirit in giving this city a long needed industry, and they will gladly receive the support of all public spirited citizens, and it is safe to predict a full measure of success which their country will amply reward.

The public are cordially invited to call at any time and inspect the sanitary conditions of the mill, which is fully manufactured.

PIMPLES

APPEARED ON HIS FACE AND HANDS.

The primary cause of pimples arises from the blood not being in a good condition. When the blood becomes impure you will find that pimples will break out all over the body, but more particularly on the forehead, nose and chin, and although they are not a dangerous trouble, they make you appear unattractively both to your friends and yourself. What you need, when these pimples break out, is to get a real good blood purifying medicine such as Burdock Blood Bitter. One that will build up the system by cleansing the blood of all the impurities and poisons which cause the skin to break out in these eruptions.

Mr. F. A. McKenna, Portage La Prairie, Man., writes: "Last summer I was all run down and unfit for work of any kind. All kinds of food seemed distasteful to me. Pimples appeared on my face and hands, and I could not grow wroth every day. One day a friend advised me to try Burdock Blood Bitter. Half a dozen bottles and the results obtained were marvelous. I regained my health, I took on flesh, and in a few days the pimples and skin eruptions disappeared entirely; thanks to the healing powers of B.B.B. I freely recommend it to all sufferers."

B.B.B. is manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

It is now nearly a quarter of a century since Annus, gold-stamped green cover and doctor them persistently, as it is impossible to have a well struck back unless the kidneys perform their functions properly.

Doan's Kidney Pills cure all forms of kidney trouble, and cure them to stay cured.

Mrs. H. F. Jacob, Lavant Station, Ont., writes: "I take pleasure in telling you how much good your medicine has done me. I had suffered from intense pains in my back, and was so bad I could hardly do my housework. My kidneys were also bothering me a great deal. I tried several kinds of patent medicines, and was almost discouraged, and was looking for some other kind of medicine to try when I noticed your advertisement of Doan's Kidney Pills, so I thought it could not hurt to try them. I noticed a great difference when I had used one box, and to my great relief when I had used three boxes I was entirely cured, and I have not been bothered since. I will not hesitate to recommend them to all I know."

Doan's Kidney Pills are 60c a box, or 3 boxes for \$1.25, at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont. When ordering direct specify "Doan's."

She Was Too Weak to Walk Alone
In Frightful Pain for Hours at a Time

Two years ago Nurse Dowdswell, of 87, Alfred street, Gloucester, England, wrote to say that Dr. Cassell's Tablets had cured her of acute kidney trouble, and saved her from operation, and she now tells her story for the benefit of fellow sufferers in the Dominion. She says:
