## AGE MUST BE SERVED, IS SLOGAN NOW HEARD IN MAJOR LEAGUES

## VETERAN HURLS GREAT GAME FOR THE MACKMEN

## Jack Quinn Turns Back Team That Spurned Him

NEW YORK, July 28.—Jack Quinn, veteran of many diamonds, has demonstrated once again, that age must be served, some time in baseball. He pitched the speeding Mackmen yesterday, to a 2 to 1 victory over the team which spurned him only a few weeks ago, the Boston Red Sox.

Other teams in the American League passed the day in preparation for the western invasion which will last for two weeks, and a half.

Pittsburgh Gains in Race

Pittsburgh gained another notch in the National League with a two run rally in the tenth inning, that set back the Boston Braves, 6 to 5. The Giants had a day of idleness and the victory gave the Pirates a lead of one and one half games.

Reds Down Cards

Cincinnati had a double conquest over the Cardinals through the pitching of Rube Benton and Jackie May, 4 to 3, and 8 to 0. May has won only one game in six for the season when he pitched this shutout.

## FRENCH DEPUTIES ESCAPE DUCKING

## Official Makes Mistake in The Buttons and Sounds The Alarm

PARIS, July 28.—A signalling system which has long been in operation in the Chamber of Deputies will have to be changed, according to members, if debates get much more exciting. Deputies with heated brows have narrowly escaped a cold douche and there are said to be ready to vote unanimously against this danger.

The debate, before a full sitting and a crowded gallery, had been fiery all afternoon when the Communists flared the flames to the point of fury. Dark covers were pounded, papers were strewn, deputies rushed forward and blows were struck. M. Herriot as president put on his silk hat with a hasty gesture of flight. This is the signal for an adjournment of the session.

Buttons Mixed

Just behind the presidential chair are three buttons reading "Alarm" and "Fire." The official who operates these buttons, doubtless influenced some what by the heat, made a quick stab for the buttons when he saw M. Herriot reach for his hat. He fumbled nervously with the button marked "Fire" and would certainly have found it in a second had not his assistant diverted his arm. As his hand slipped it pressed the button marked "Alarm."

From doors slammed shut, steel shutters fell into place, emergency guards dashed to their posts, and M. Morin, prefect of police, who had been awaiting emergencies in the corridors, rushed to duty into the Chamber. The guards kept cool enough to hear the explanation of the error, and opened up for the deputies to emerge into cooler atmosphere.

The honorable deputies laughed heartily when they realized what had happened, but had the fire button been pressed the automatic extinguishers in the ceiling of the assembly room would have sprayed the deputies and visitors with thousands of gallons of water.

## THRUSH'S TRAIN TRIP

READING, England, July 28.—A train examiner discovered the nest of a thrush containing four eggs in the ironwork of a goods truck. The mother thrush, sitting on the eggs, was disturbed, but she did not desert the nest. When the train moved off she flew back to it.

## TREE GOOSEBERRIES

MOULTON CHAPEL, England, July 28.—A gooseberry bush grafted on a willow tree has produced a splendid crop, which is growing six feet from the ground like mistletoe.

## Boxer's Foot Goes Through Rotten Floor and His Ankle Is Fractured

## Along The Sport Trail

By RAY HANSEN

TACK DALTON, Saint John's Baptist youth pitcher who is now leading the league, plans to go in for some springing when the league schedule finishes. Dalton undoubtedly is one of the fastest men on bases in the league and the ball players will wish him luck in trying out on the cinders. The Maritime championships are to be held in either Halifax or Charlottetown this year and the local boy probably will enter this meet. Last year, Dalton tried out for the Olympics at Athens in the century. He gave great promise there. He has been winning running races consistently at college and there is no reason why he cannot step with the best around here with a little training and coaching. Another young South End boy who has shown considerable speed in tryouts with Dalton is Robert Payne, son of "Steve" Payne, grounds chairman.

LOCAL BASEBALL FANS, who are planning on seeing the world's series this year, are certainly up against it trying to figure out where they will have to go. In both the American and National leagues the race is so close that it is impossible to figure out the probable winners.

SPORT LOVERS who closely followed the achievements of the Oxford-Cambridge athletes on their recent tour in the States must agree that America's victory in the international meet was anything but convincing. The English athletes won as many firsts as the Americans and had the English system of scoring been in vogue the meet would have ended in a tie. However, the officials decided before the meet that second places would be counted in the event of a tie and as a result the Yale-Harvard team was given credit for carrying off the honors. One of the most notable performances in this meet was the work of Sam Carr, one of the Yale freshmen. He won the pole vault, doing 18 feet with ease. Veterans who witnessed his feat contend that he will be able to clear the bar at 14 feet if properly coached and trained. This is a remarkable performance when it is taken into consideration that he is only 18 years of age.

AFTER HEARING so much about the recent horse races in Fredericton, local horsemen enthusiastically cannot help but regret that this city is not in a position to have some of the big meets here. There is no reason why Saint John should not be in the N. B. & Maine circuit.

THE OLD QUESTION, what next crops up again. In London two champion horses, Polonois and Candidate, are stabled in the top flat of a five story mansion built of fireproof concrete. When they start off for a workout or to participate in a race they have to walk down 79 stairs to reach the street level. The stairway is wide and is carpeted with soft peat. Up and down this the horses walk. The floor has two dormitories with double rows of stalls separated by wide gangways. There the horses feed, sleep and are groomed. Large windows give excellent light and ventilation. This is certainly a remarkable stable and must have been constructed by a man who thoroughly understood horses and possessed an ingenious mind.

## LAKEWOOD WONDERS WIN

The Lakewood Wonders defeated the Loch Lomond Tigers 4 to 1 in a game of baseball played on Johnston's diamond last evening. A large number of fans were in attendance and thoroughly enjoyed the game. The batteries were: For the winners, Whelley, Polley, and for the losers Blackney and Mosher. The next game will be played Thursday evening on the Lakewood diamond.

## CANUCKS DEFEATED BY ST. PETER'S NINE

Winners Entrench Themselves More Firmly in Second Place in Title Race.

St. Peter's Intermediates became more firmly entrenched in second place in the league championship race last evening when they defeated the Canucks 9 to 4. The winners took kindly to Nelson's offerings and drove out 11 slugging hits. These, coupled with errors, proved the undoing of the Fairville nine, and although they fought hard to overcome the early lead of their opponents, they were unable to do so. Fitzgerald was on the mound for the winners and only allowed one earned run. The box score and summary follows:

## THRILLING GAME IN CITY LEAGUE WON BY SAINTS

## Trojans Put Up Great Fight But Lose Out

IN THE City League last evening the St. John's Baptist team defeated the Trojans on the North End diamond by a score of 5 to 4. The game was conceded to be one of the best staged for some time and the result was in doubt until the third man was retired at the end of the eighth inning. The Trojans got away to an early lead, scoring two runs in the first inning, one in the third and another in the fourth. The Trojans failed to send a man across the run until the fourth. In the fifth and sixth they again tallied and excitement ran high as they had cut down the lead of their opponents and threatened to come across with an unexpected but well-earned victory. In the last inning they again scored, but as the Saints also secured an additional run and clinched the game.

## Pitchers Worked Well

Both pitchers worked well, Kerr of the Trojans turning back nine batters, while Dalton fanned 13. The former walked three batters, but only allowed seven hits, while Dalton only walked one and was touched for nine. "Tech" Dalton, by his victory, ran his total of consecutive wins up to seven.

## Hits Home Run

Bartlett of the Trojans had his batting eye with him and connected with the horseshoe for a home run and a three-bagger. Kerr also contributed a three-base clout, while Conlon, O'Toole and Murphy scored two-baggers.

## Miss Ederle Picks Aug. 3 For Big Swim

BOULOGNE, France, July 28.—Monday, Aug. 3, has been tentatively set for the proposed attempt of Miss Gertrude Ederle, the American swimmer, to cross the English Channel from Cape Gris-Nez, France, to the English shore. Bad weather gave Miss Ederle a quiet week-end so far as her training in the water was concerned. She did considerable walking for exercise, however, and took short dips in the sea during the mornings and afternoons of the latter days of the week.
