HEALTHY WOMEN SCARCE

Is the Verdict of Scientific Investigation

How many women do you know who are perfectly well, strong and healthy as a woman should be? They may not be sick enough to lie in bed—but they are run-down, thin, nervous, tired and dejected.

Women are so active nowadays, and so much is expected of them that they constantly overdo and suffer from headache, backache, nervousness and kindred ills.

Such women need Vinol, our delicious cod liver and iron tonic without oil which will create an appetite, tone up the digestive organs, make pure blood and create strength.

Mrs. W. G. Ritchie, Patchogue, N. Y., says: "Vinol is certainly the best tonic I have ever taken. I was run down and tired all the time, but, thanks to Vinol, I am feeling all right again."

Try a bottle of Vinol with the understanding that your money will be returned if it does not help you.

MR. CARTER'S LETTER

Fredericton Mail:—In a letter to the St. John Telegraph Tuesday, E. S. Carter of Kings County, suggests that the parish supervisors should give a detailed account of their expenditures to the people who pay the road taxes. This is a right proposition. The people who pay for the upkeep of the roads have a right to an account showing how their money was spent, where it was spent and who received it. There is no audit so good, so thorough as an audit by the people. The road supervisor who would venture to permit over-charges or employ men unfit for road-making in the face of an audit of his account by his neighbors would soon make place for some one else.

How to Make Your Flour Go Further

WHEN the oven is hot and you face the bustle of baking day, don't forget that Rainbow Flour will go further than any other brand.

Why? We'll tell you.

Only the cream of the wheat berry can meet the exacting standard we set for Rainbow Flour.

There is no fibre, no germ, no dirt in Rainbow Flour. We remove all these in our extra-careful milling. There remains only a picked portion of the choicest of wheat, the nutriment.

Most quality to the pound—that's why Rainbow Flour goes furthest.

Try a 7-lb. bag. Its use is true economy.
