THE LADY MADAM ROSELER
Has just arrived in the city. She is
recognized as the most wonderful pal-
mat in the world. On her visit to Eur-
ope she gave readings that astonished
the most enlightened and skeptical peo-
ple of European cities. This wonderful
Egyptian challenges any palmat in the
world to compete with her. She reads
the hand just as it indicates from the
cradle to the grave, tells every person
the planet they were born under; their
lucky and unlucky planets, and what
step in life to take to better themselves;
what part of the country is best for
them; also explains what business you
are best adapted for, when and whom
you will marry; settles and explains love
affairs and family troubles; reunites the
separated, etc. Why not see the best?
It costs no more. Satisfaction or no
charges. All readings strictly confi-
dential. Give her a trial before you cri-
