

BABY WELFARE CAMPAIGN IN MONTREAL

Montreal, May 17.—At the official opening of the fourth annual Baby Welfare Campaign this afternoon, Hon. N. W. Rowell said that the government of Canada had been congratulated as possessing the first federal health department on the North American continent, but he added that the women of Canada as represented by the women's conference which met in Ottawa in 1918, were largely responsible for the establishment of that department.

At the conclusion of his address Mr. Rowell declared the exhibit, which was shown in Almy's Limited, open.

WAR MATERIALS.

London, May 17.—A question concerning war materials which are being shipped from England to Poland was raised in the house of commons today. Andrew Bonar Law, the government spokesman, said they formed part of the supplies purchased by Poland last year and that they were being shipped by the Poles because they are the property of the Polish government.

Mr. Bonar Law added that Great Britain had sold Poland some surplus stores

last October and that it would have been a breach of faith on the part of the British if the despatch of ammunition had been prevented. He declared that no assistance, financially, or otherwise was being given Poland.

H.P. SAUCE

gives a new enjoyment to the daily fare.

Even the plainest food becomes tasty, appetising and digestible with H.P. Sauce.

Not like any other sauce—different—quite different.

COST OF FOOD.

London, May 17.—The cost of food up to May 1 had risen to 146 per cent above the pre-war level and there is a prospect of its going still higher, says Charles A. McCurdy, minister of food in an official statement issued tonight.

Mr. McCurdy, however, points out that the price of food in England, is still lower than in France, Italy and Sweden and says it is not much higher than in the United States.

STUDENTS ALARMED.

Montreal, May 17.—Fire of unknown origin set the high board fence in the rear of St. Mary's College, Bleury street, ablaze tonight and brought the college, some 300 in number, out of their beds in the belief that the college buildings were on fire. The firemen of the district had the flames under control within half an hour from the outbreak and the damage done was slight.

ALTITUDE MARK.

Mineola, N. Y., May 17.—The airplane altitude record for a pilot and three passengers, was broken here today by Clarence E. Coombs, who rose to the height of 17,170 feet, this is fifty feet higher than the altitude reached by Captain Lowell H. Smith, commanding officer of Puryear field in El Centro, California, last Monday.

Coombs, formerly a sergeant in the American army air service, carried two newspaper men and an official of an airplane company.

This is the third time that the altitude record for a single motored plane has been broken within two weeks. Coombs set a mark of slightly over 16,000 feet May 8, and this was exceeded three days later by Captain Smith.

KILLED BY AUTOMOBILE.

Little Rock, Ark., May 17.—Major R. B. Weinwright, Q.M.C., and Capt. S. O. Garrett, eighteenth infantry, both stationed at Camp Zachary Taylor (Ky.), were killed here yesterday when a motor car in which they were riding was wrecked.

STEAMER WRECKED.

London, May 17.—The American steamer Lake Grafton, bound from Swansea for Copenhagen, was wrecked off Mounts Bay, Cornwall, on Saturday. The crew was landed safely. The Lake Grafton was a vessel of 1,610 tons.

TROOPS FOR IRELAND.

London, May 17.—Questioned in the house of commons today on the number of troops being sent to Ireland, Andrew Bonar Law, the government leader, replied:

"I have no information to give on the subject, but we are sending and shall send whatever troops are asked for by the Irish executive."

Here's Your Golden Opportunity to Prove Your Practical Christianity and Do Good to Your Fellow Men!

READ What Men Like These Have to Say About The Salvation Army Jubilee Appeal—They Know!

Deny Yourself Something and Respond to This Appeal

HON. W. L. MACKENZIE KING,
Leader of the Opposition in Dominion Parliament, says:
"I have through personal observation seen something of the service the Army is rendering humanity, not only in Canada and the United States, but also in Europe and the Orient. I shall esteem it a privilege to be included as one of the members of a Territorial Committee of Patrons who endorse the movement."

ARE YOU WILLING to bear in mind the things that other people have to bear on their hearts?

HON. SIR H. C. DRAYTON, K.G.M.G.,
Dominion Minister of Finance, Says:—

"It is not necessary for me to wish you complete success. The measure of public confidence which the Army has always enjoyed, and which has been so remarkably enhanced on account of its war activities, assure a ready response to any appeal which the maintenance and extension of its work may make necessary."

HON. N. W. ROWELL,
President of Privy Council, Says:—

"I need hardly say that I consider the important social work which the Army is carrying on of very great practical benefit, particularly at a time like this. It expresses the Christian spirit of brotherhood, and that spirit was never more needed than today. I trust your Jubilee may mark the beginning of a new era of enlarged usefulness in the work of the Army."

Out of the Prosperity Which God Has Given You Help Others

D. B. HANNA,
President Canadian National Railways, Says:—

"I have always been deeply in sympathy with the good work carried on by your organization, and, needless to say, it will give me a great deal of pleasure to act as a member of a Territorial Committee of Patrons."

ARE YOU WILLING? to look around you for a place where you can sow a few seeds of happiness?
