

PROSPECTUS.

 HIS COLLEGE has been established in order to meet the desire expressed by many earnest Protestant gentlemen to have a first-class education put within the reach of the Young Women of the City of Ottawa and vicinity. The basis of the institution, while decidedly Religious and Protestant, is Non-Sectarian.

A thorough training will be afforded in all the branches of an English, Classical and Scientific education, and in the Modern Languages and the Fine and Useful Arts to those who desire these accomplishments.

In the course of instruction and the use of text books, the faculty will conform as far as possible to the requirements and usages of the High Schools of the Province of Ontario, and University College, Toronto.

The College is the property of a chartered Joint Stock Company, (limited liability) controlled by a Board of Managers who are elected by the Stock-holders, at a meeting held on the first day of July in each year.

The College Building is situated in the western part of the City of Ottawa, in a high and healthy locality, with ample room for play-grounds, commanding a beautiful and extensive view of the river and surrounding country.

The Building, which was erected for the purpose, is a substantial stone edifice, four stories high, with airy corridors, and commodious school-rooms and sleeping apartments. Every attention has been given to ventilation, and the whole building is heated by hot water pipes. There is accommodation for one hundred boarders, who will find every necessary comfort provided, with bath-rooms and closets on each floor.

There is a Gymnasium in connection with the institution, and regular Calisthenic exercises are provided for the pupils.
