It is pointed out by members of the council that the contract requires the company to build and equip a ferryboat in two years, which they claim has not been done.

The council dealt with a quantity of other business. An offer of 500 yards of blue clay for filling at 25 cents per yard was accepted. The city engineer will de-termine where the material shall be deposited.

The Hotel By-law was reconsidered and finally passed. The Expropriation By-law was amended in preamble on the

advice of the city's legal advisers. The council also took up the by-law providing for the construction of per-manent sidewalks on Fort street, Cadboro Bay road, Cook, Richardson, Labouchere and Belcher streets, which went through the preliminary stages. The ag-
