Miramichi Advance,

HATHAM, N. B. - - AUGUST 9, 1888 GENERAL NOTES AND NEWS Two colored Sisters of Charity attracted onsiderane notice at St. Patrick's chapel, Halifax, on Sunday morning of last week. They are on a visit there from Boston.

Certain Cure. A cure for Cholera Morbus. A positive cure for this dangerous complaint, and for all acute or chronic forms of bowel complaint incident to summer and fall is found in Dr. Fowler's Extract of Wild Strawberry, to be procured from any druggist or medicine dealer.

Made on Purpose.

We are taught that everything is made to fill some purpose. The reason Burdeck Blood Bitters has succeeded in being plac-ed in the front rank of modern medicines is that it fills so well the purpose for which it was intended—that of curing diseases of the stomach, liver and blood. The total value of green fruit brought by the United States in Canada last year was \$210,000, nearly the entire sum having been paid for apples, of which 56,912 bar-

rom Nova Scotia. Summer Travel is usually subject to dangerous and sudden attacks of bowel complaints, diarrhea, dysentery, etc., caused by change of food and water. The sovereign remedy and surest safeguard against all such troubles is Dr. Fowler's Extract of Wild Straw-

erry. Never travel without it. A Correct Statement is made by Miss Jane Rutherford, of Nelles Corners, Ont., who writes—"I have used your Burdock Blood Bitters for Dyspepsia and find it to be the best reme-dy I ever tried." B. B. B. is sold by all

ers at one dollar per bottle. Easily Understood.

The cause of summer complaint, diarrhea, dysentery, cholera morbus, etc., are the excessive heat, eating green fruit, impure water, over exertion and sudden chill. Dr. Fowler's Wild Strawberry is an infallible and prompt remedy for all bowel complaints from whatever cause. For Scrofula, Impoverished Blood and General Debility.
