SOCIALISTS WARNED TO CHANGE TACTICS

Cannot Expect Sympathy of People When They Tie-up All Industry.

Cross-Atlantic News Service (Copyrighted) by Politicus.

Copenhagen, June 18.—(Copyrighted) by Politicus. America is struggling in the grip of strikes and the workers of the world are in a state of widespread unrest.

A bill will shortly be introduced in the Rigsdag's lower house, the Folketing, declaring all strikes that are destructive to the community, illegal, and to be considered as criminal acts.

As there is no doubt that the newly elected Folketing who the Socialists are in minority, in the present mood, will pass the bill, Socialist politicians are dismayed.

The more moderate Socialist leaders are already beginning to urge moderation. Here Hauga, Socialist member for the island of Bornholm, has told Socialist workers that the victories they have won during the last fifty years they have won because they were workers and had the sympathy of the whole people when they demanded living wages.

"But if you now think," he continues, "that you can go on winning by not being workers, by crossing your arms and downing tools, and by preventing those who are willing to work from working, you will very soon find out that you are mistaken. A nation as a whole is always stronger than one particular class."

The recent attempt to call a general strike to force political action did much to lose the sympathy of the Danes, and the failure of the strike has further weakened the Socialist position.

For some weeks, however, the strike completely stopped all exports and imports, cost the country many millions and depressed the value of the Krone.

WITNER HELPLESS FROM ST. VITUS DANCE

The sufferer restored to Health Through the Use of Dr. Williams' Pink Pills.

St. Vitus dance is a disease of the nerves brought on by a morbid condition of the blood. It is a common disease with children, and attacks girls more frequently than boys.

The patient becomes pale, languid and often constipated. The limbs and sometimes the whole body, jerks spasmodically and in severe cases the power of speech is affected.

Such a child should not be allowed to study, but should be kept quiet, given a nutritious diet, remain out of doors as much as possible, and above all things given a course of Dr. Williams' Pink Pills to build up the blood and restore the shattered nerves.

Without this treatment the trouble may become chronic and the patient a life-long sufferer.

The value of Dr. Williams' Pink Pills in cases of this kind is shown by the following statement by Mr. Frank J. Scripps, Acton, Ont., who says: "In January, 1917, when I resided at Milton, Ont., my daughter Gertrude then aged fourteen, had a bad attack of rheumatic fever which left as its after effects, a severe attack of St. Vitus dance. For weeks she was confined to her bed under the doctor's care. She was entirely helpless, being unable to even hold a spoon to feed herself. For a time she lost the power of speech almost entirely, and only with great difficulty made herself understood. The twitching of her muscles was so bad it was painful to see her. After a long time and taking a lot of medicine, she seemed to improve. But she did not seem to get along as she ought to. In November, 1917, we removed to Acton, and in January, 1918, she was again confined to her bed with St. Vitus dance. She was again in a terrible state and quite helpless. She decided to try the Williams' Pink Pills, and see what they would do for her. She took them regularly according to directions, and after taking several boxes there was a decided improvement. After a further use of the pills she is now as healthy a girl as you would wish to see. She is fat, with a fine healthy color and strong and lively. The neighbors to whom she is well known remark on the wonderful change in her appearance since taking Dr. Williams' Pink Pills. Both her mother and myself are convinced that the pills have done her a world of good, and she is now far healthier than we at one time thought she ever would be."

For all trouble due to poor blood and weak nerves there is no other medicine so good as Dr. Williams' Pink Pills. You can get these pills from any dealer in medicine, or by mail, post paid, at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.
