

LIABILITIES.

The Mortgage debt has now been reduced to \$4,000.

The Managers are highly pleased with the financial condition of the Church. After providing for all ordinary expenditure and paying the usual instalment of \$1,000 on the mortgage debt, there is a balance of \$144.79; still, the Managers would call the attention of the Congregation to the fact that this balance is somewhat less than that reported last year, owing to the fact that the weekly offerings and plate collections have slightly decreased.

The Managers would recommend that the Congregation appoint an Assistant Treasurer to keep the account of the weekly contributions.

All of which is respectfully submitted.

Dated 27th January, 1892.

Seventh Annual Report of Brampton Auxiliary to the W. F. M. S.

Meetings were held regularly during the year, and a deep and increasing interest shown.

With a membership of sixty-four, the average attendance was forty-one.

In July a bale of clothing valued at \$55.80 was sent to the North-West Mission Schools. The total amount contributed, including the value of the bale, was \$175.

We feel that we have great reason to be encouraged in our work; but we also feel that in a congregation such as ours the W. F. M. S. should have a larger membership, and it is our earnest hope and prayer that more of the women of our congregation will join us, and that we may do more to hasten the time when the "kingdoms of the earth" shall "become the kingdoms of our Lord and of His Christ."

Third Annual Report of the McLaren Mission Band.

During the past year there have been sixteen regular meetings held. There were fifty-three names enrolled and an average attendance of eighteen.

The total amount of money realized this year was \$40.15, besides which a box valued at \$30 was sent to the North-West Schools.

On the whole our work has been encouraging. The children have been much interested in the study of our mission fields in India and the New Hebrides Islands and have become familiar with the names of our missionaries in India. We hope their interest may increase till each member of our band is filled with a true missionary spirit.
