

Landscape Gardening

A Part of Our Free Service

Our Salesmen bring to you a Service that is unique in the Nursery industry. No other Nursery Company in America spends as much time and money as we do in instructing Salesmen in the principles of Landscape Gardening and Horticulture. We hold our School for Salesmen annually for this purpose. After completing our courses in Landscape Gardening and Horticulture, **our representative can save you the expense of engaging the services of a professional landscape architect.** He is qualified to draw a sketch of your property indicating prospective plantings

that will bring the most effective results. **THIS SERVICE COSTS you NOTHING**—nor does it place you under obligation to buy our goods. Even should you decide to place your order elsewhere, our representative will cheerfully give you full information regarding the selection of varieties, root-pruning, planting, mulching, cultivation, pruning of growing trees, and other allied subjects. He and the other members of our Sales, Nursery and Office Staffs are in earnest in promoting the horticultural progress of Western Canada.

Special attention is given to preparing plans for public plantings in Cities, Towns, Villages, School Districts, Cemeteries, War Memorial Grounds, etc.

AN INVITATION

We suggest that in planning your automobile trips this summer, you place in your schedule a visit to our Nurseries. On the 400 acres of land which we own and the additional land which we lease, we **grow millions of hardy trees, shrubs and fruits.** You will be delighted and surprised to find such extensive plantings in Western Canada. You will understand how our **GUARANTEED TREES** with our **UNRIVALED SERVICE** have enabled us to build up, within the comparatively short period of a decade, the **largest Nursery business in Canada.**
