

Tea Table Talks No. 1

There would be no need for "Pure Food Laws" if every product were given a tithe of the care expended in assuring the perfect purity of

BLUE RIBBON TEA

That care is exercised from Tea Garden to Table. In the blending, the most minute care ensures uniformity—ensures purity—ensures perfection.

The new doubly-protective wrapping ensures against the slightest deterioration by dust, moisture or careless handling.

Your ideals of food-purity are expressed by always using

Blue Ribbon Tea

Of Slightly Used and Shop Worn Pianos

The Home of the Heintzman & Co. Piano

Will you place a Heintzman & Co. Piano in your Home this Christmas?

The finest of all gifts that you can present to your family is a Heintzman & Co. Piano. Its exquisite tone is recognized as ideal, and it has earned for this instrument the title of the "World's Best Piano." Heintzman & Co. skill and craftsmanship build this Piano for lifetime usage, and even after the strain of long years of service its action is just as even and responsive, and its tone just as pure, sweet and resonant as at first.

Remember that the Heintzman & Co. costs but very little more than the ordinary "good" Piano, and can be bought on easy terms.
