

Kellogg's
**TOASTED
 CORN FLAKES**

10¢

TRUST the children to know what is good to eat. Kellogg's is a warm favorite with them because they like the delicious crispness of the delicately toasted flakes. Mother knows that Kellogg's Toasted Corn Flakes are good by the way the youngsters thrive on them. They contain much of the nourishment that little bodies need, and their extreme digestibility makes them kind to little "tummies."
