You May Never Ski Like This, But If You Do We've Got You Covered

Carving your way down the double black diamonds waist deep in powder is a tough and thrilling sport demanding experience, strength and a wild heart. You can bet those that do, aren't willing to sacrifice any of the moment because they're cold and wet. Sierra Designs and Gore-Tex® outerwear bring together solid performance and durability in a line of truly functional clothing designed for just such

moments. Combining state-of-the-art Gore-Tex® fabrics and functional features, Sierra Designs works from experience like yours. Start with comfort and warmth and take it from there ... the moment is all yours. So come on in and check out our large selection of Sierra Designs jackets, parkas, pants and much more. They bring quality with versatility and we bring you selection with value.
