

Bombardiers as to whether
 we would take them in
 Harker agrees with me
 that it would not do. -
 You should continue to
 let Lord Albury and the
 Cabinet know all this. It
 will seem to show them
 our growing importance
 I suppose you will
 introduce Mr Solomon
 to Talley & Humphreys
 No news here. Dr Selau
 is in Nova Scotia making
 Enquiries. I have just
 received a letter from
 Charlie Gordon saying
 the book for Cumberland
 should not issue until

The first instalment of the Laboratory
 debt was paid by the
 short line people. That
 the sum about \$50,000
 would shortly be paid.
 He anticipates a fierce
 struggle - The crops are
 looking well - altho' a
 severe frost last week has
 done some damage. -
 Caspary is looking
 ill and depressed &
 Langford & Chaple are
 sitting up together pretty
 well. - With kind regards
 to Lady Tupper
 Yours sincerely
