Rt. Hon Mr. Meighen
Ottawa

Dear Mr Meighen: Some time ago
you wrote me regarding placing a candidate
in the field in N. Huron, to which I replied
I hoped to have had a meeting of our Ex Com
before this but as we are a large constituency
and some important sections far from a
railway and snow roads badly drifted
it has been thought best to postpone action
until roads are better when we will take the
matter up with better greater enthusiasm
We are I hope going to have Mr MacEwan of
Goderich for our candidate and if so we will
expect a good victory. In the meantime
we will try and keep Conservation interests
to the fore

Yours truly

Peter W. Scott
Pres. N.H. L.C.A.
