Ottawa, January 28, 1915.

Rev. Sir,-

The Department is in receipt of your communication of the 15th instant in which you state that Miss Isaacs, the late teacher of the Red Bank School, has appointed another teacher to succeed her in her duties at this school.

This is the first intimation that has been received that she has given up her duties at this school. Miss Isaacs has no authority to appoint a successor. The appointment of a teacher is made by the Department and inquiries will be made regarding this matter.

Your obedient servant,

L. P. D. L.
Asst. Deputy and Secretary.
