

Office of the Prime Minister  
Memorandum for the Prime Minister  
1947

Mrs. Olive Scott  
telephoned to ask whether it would  
be possible for you to provide a  
letter of introduction to the  
British Consulate in London  
for the purpose of enabling  
Mrs. Scott and her husband  
to leave for London on  
December 14th.

The attached letter  
is modeled on that which you  
gave Mrs. Scott last year on the  
occasion of the trip to the European  
and World Figure Skating Championships.
