Sir,

I have received today your letter of the 20th Feby enclosing a letter to you from Mr. W. Duncan of Comox dated 20th Jan'y last, which letter I herewith return, as requested, and in doing so make the following remarks.

Mr Duncan desired to possess an old Indian settlement, containing almost the only agricultural land available for the Comox Indians but he was unable to do so.

The Honorable
The Superintendent General
of Indian Affairs, Ottawa
