

ROCKY Mountains! God's Own
Plan,"—

Conserves snow for beast and man
Till the sun's hot, melting ray
Chases streams that pass away,
Down the valleys, prairies through,
Giving life and strength anew.

MEN on prairies nor their beast
On the Rockies sight mayn't
feast,

Yet THEIR share is not the least:

For the Rockies induce guessing:—
MAKE LIFE'S AIM A MOUNTAIN
BLESSING!
