## ODDS AND ENDS.

*Smoker*—"Look here, Isaac, this cigar that I just bought of you wont draw!"

*Isaac*—"Vont draw? Vell, do you subbose I'se givin' away sugtion bumps mid dem five cents Victorias?"

If seven days make one week, how many days will make one strong?

That depends on the number of days you take Burdock Blood Bitters.

This is a world of disappointments anyway. Some people are disappointed in love, and a good many more are disappointed in marriage.

I was troubled for five years with Kidney Complaint and used a great deal of doctors medicine which did me no good. I was getting worse all the time until I tried Burdock Blood Bitters, and now am a well man. Before using the Bitters I weighed 130, and now tip the scales at 159 pounds. I can highly recommend Burdock Blood Bitters to be a good medicine. JOHN WALTON, Oct. 5, 188.. Springfield, Kings Co., N.B.

*Tommy*—(who had just received a severe scolding.)—"Am I really so bad, mamma?"

*Mamma*—"Yes, Tommy, you are a very bad boy."

*Tommy*—(reflectively). "Well, anyway, mamma, I think you ought to be real darn glad I ain't twins."

"Pa, what is a Mother Hubbard?" "It is a kind of a covering that a woman uses when she gets too lazy to put on a dress."

"The roaches in this house are remarkably versatile," said an actor at a hotel table, picking up a biscuit. "I notice that they appear in different rolls every morning."

"I tried all the doctors in this locality for Liver and Kidney troubles (which I had for years) with no benefit. Four bottles of Burdock Blood Bitters cured me," says Lemuel Allan, Lisle, Ont.

"Do you know the nature of an oath, ma'am?" inquired the judge. "Well, reckon I orter," was the reply, "my husband drives a canal boat."

"I hate that man!" exclaimed Mrs. Upperre. "I'd like to make his life miserable." "Tell you what," said her husband warmly, "I'll send the villain an invitation to your musicale. We'll torture him."

*Bridget* (to iceman)—Av yee plaze, sir, me missus sez will yez put the ice in the saucer here every mornin', and cover it wid the tay cup, so we can have some left if we don't get there the minit ye lave it.

Burdock Blood Bitters has an excellent reputation in this locality as a remedy for diseases of the blood, liver and kidneys. I have used it for many years. It is all the medicine I want, and I advise every one troubled with those complaints to use it.
