It was agreed that the minutes of the Annual General Meeting held February 10th, and of the Special General Meetings of November 16th and December 20th, 1892, be taken as read.

The report of the year 1892 having been read by the Secretary, the President in moving its adoption, paid a high tribute to the memory of the late Mr. Tempest and dwelt upon the great importance to the Association of his munificent bequest. He congratulated the members on the progress of the new building which it is expected will be completed by May, and thanking those who had so generously assisted by liberal subscriptions expressed the hope that others would join in helping to pay off the debt.

He reviewed the work of the Association for the year and spoke of the interest shewn in the exhibition of pictures, the work of Canadian Artists and of work by Mr. Walter Crane.
