

BOYS' OWN PAPER,

AN ILLUSTRATED JOURNAL.

Comprising Tales, Sports, Pastimes, Adventure, and a variety of Amusement and Instruction.

IN MONTHLY PARTS—PER ANNUM, \$1.75.

It is published by the LONDON RELIGIOUS TRACT SOCIETY. The Editor says in his prospectus:—

“THE BOYS' OWN PAPER is intended not only to provide the lads of our own families and schools with wholesome, elevating reading, but to supplant, if possible, some of the literature, the injurious effect of which all so sincerely deplore. In order that the new paper may achieve what is desired for it, the prompt and hearty co-operation of ministers and parents, schoolmasters and teachers, and, indeed, of the friends of youth generally, is necessary. THE BOYS' OWN PAPER should be introduced into every home and school—should be circulated by employers in their shops and factories—should be given away largely through our ragged schools and missions—and, in short, should be brought well before the attention of every boy in the land. The list of writers and artists will embrace some of the best known and most honored names of the age, and no pains or expense will be spared to render THE BOYS' OWN PAPER the most complete and attractive journal for the lads ever produced.”
